ENTRY FEES MUST BE PAID FOR ALL ANIMALS BROUGHT TO THIS SHOW.
Entry Forms must be filled out correctly and in full. All llamas entered in the show MUST be registered with the International Llama Registry (ILR) or the Canadian Livestock Record Corporation (CLRC), except as noted. A copy of ILR registration papers for all animals listed must accompany the entry form. The only exceptions are: non-breeder llamas (unless points are desired); llamas used only in youth classes. Registration papers must be mailed with entry form for verification of name and age. Failure to meet this requirement prohibits entry in the show. All llamas must be entered in the exact name and registration number as shown on their registration certificate. The ALSA number for llamas recorded with ALSA for point accumulation must be provided to Show Management.

Entries in the Youth Division should be made in the name of the Youth Handler, not the llama. Only wool classification may be changed after the entries close. Make sure to enter your llamas in all classes in which you want them shown. Animals may be scratched from a class until time to enter the staging area.

Each exhibitor must provide his/her own pack. ALSA rules require packs to have a minimum of two body cinches with saddle. Supply your own weights. You will be on the honor system as pack will not be weighed. The panniers are to be bulged out with newspaper to give the appearance of a full pack. Llamas 5 to 36 months old must carry a pack system or training pack filled with lightweight material to simulate a full pack. Llamas 36 months or older must have a pack with removable panniers and carry a minimum weight of 20 lbs.

YOUTH PACK CLASSES
The llama must be 5 months or older and carry a two-cinch pack. Panniers do not have to be removable – up to 36 months, only lightweight material. Llamas over 36 months may carry up to 20 lbs. in the Intermediate and Senior classes.

PERFORMANCE CLASSES
Performance classes are designed to present or simulate conditions and obstacles that could be encountered in certain situations where llamas are required to perform. These classes should demonstrate the intelligence and versatility of the llama and the rapport between animal and handler. Llamas may only be shown in one Performance Division: Masters, Advanced, Novice, or Youth.

Pack llamas 5 to 36 months carry no weight. Llamas 36 months and over must carry 20 lbs. Intermediate and Senior Youth, the llama may carry weigh up to 20 lbs. if the animal is 36 months of age and older.

BEING LATE
Exhibitors are encouraged to be prompt for each of their classes during show time. Announcements will be made to have classes proceed to the holding area at the show arena. Once the class has entered the arena, late exhibitors may not enter the class. Handlers are encouraged to take all animals to the "facilities" provided in the holding area BEFORE they enter the show ring. Let's all try to keep the ring clean for showing!!
